

This data is sourced from Land Registry's Price Paid Data which tracks the residential property sales in England and Wales that are submitted to them for registration.

The UK Data Service Census Support postcode data selector (<http://census.edina.ac.uk/pds.html>) was used to map postcode to parish look up table (directory version Nov 2014) and the associated data was extracted from the Land Registry price paid data report builder (<http://landregistry.data.gov.uk/app/ppd>) on 13.11.15.
